

## 2010 South Lakes Competitive Soccer Information

*Thank you for your interest in one of the fastest growing clubs in the state!*

Welcome to South Lakes Soccer Club Competitive Soccer.

The coaching staff will be available to provide you with information regarding estimated expenses such as: registration, training, tournament, uniform fees, etc and time commitments such as: practice, games, tournaments, etc. Coaches will also be able to explain and answer any questions you have regarding our program.

We would also like to give you the complete breakdown for the costs involved with playing competitive soccer with South Lakes Soccer Club.

### Registration

Each player will be responsible for paying registration fees. The registration fee is charged per player per year, not per season, and is \$160. The registration can be paid in full or in two separate payments, by check of \$80 and \$80. If paying registration in two payments, the first check should be dated with the current date, the second check should be post-dated for August 15<sup>th</sup>. Please make sure all checks are payable to South Lakes Soccer Club and are turned in with registration. Please write both the team's name and player's name on both checks.

South Lakes Soccer Club uses these fees to pay for membership with FCSA and OSA, insurance, complex maintenance, referees, etc. Registration will be complete when players have submitted all registration fees, a USYS registration form (completed and signed), and a copy of the player's birth certificate. Your coach or team manager will also need a recent picture and a notarized medical release form.

### Training & Team Fees

Training fees are \$560 for the 10 month competitive year and may be paid in one of three ways: Eight (8) payments of \$70 each due the 1<sup>st</sup> of each month August-April, with the exception of January. (Teams will train in January and May however; no training fees will be due those months.) Two (2) payments of \$275 each on August 1<sup>st</sup> and February 1<sup>st</sup>, by paying the yearly training fees in two (2) payments you will receive a \$10 discount. One (1) payment of \$540 on August 1<sup>st</sup>, by paying the yearly training fees in one (1) payment you will receive a \$20 discount. Teams advancing to Regional Tournaments will train in June and will pay an additional months training fee of \$56.

Additional team fees include a \$30 per player goalkeeper training fee (paid once per year), a \$50 field & light fee (paid once per year), tournament fees, coach expenses for travel outside the metro area, uniforms, and indoor soccer registration fees.

## Individual Expenses

Expenses that players will be responsible for as an individual can vary. Travel, transportation, lodging, meals, etc. are examples of individual expenses.

While it is very difficult to provide an exact estimate of expenses related to playing competitive soccer, you will find an example of a standard fee structure for the entire year below. Information is subject to change and will vary based on the number of players, distance traveled to tournaments, etc.
